Folks on Spokes October 2024 Message:

Hello, Folks!

I'm happy to report that every scheduled ride in October offers a dual start. So you've got plenty of options for your distance of choice.

October 5th, Jim is leading a new ride to Walborn Reservoir with a lunch stop in Atwater.

October 12th, we're headed on Roger May's nice ride to the Dover-New Philadelphia area. There's some great flat road riding on this one, and possibly a lunch stop for the Famous Elvis Presley sandwich of grilled Peanut Butter and Banana. They have plenty of other offerings for the not so adventurous, of course.

October 19th, Roger Gray is leading his annual Tusky Valley ride to Gnadenuhnten where the fall leaves should be at peak viewing season. This is a club favorite you don't want to miss.

Randy's planning a new ride event this month, a Halloween Night Ride on October 31st. This is a members only ride. Non-members, by joining now, new memberships include the remainder of the 2024 season and all of the 2025 season.

If you're not a member, please download an application to become a member and experience all the year round fun and comradery we enjoy as a club. As always, be sure to follow our adventures on Facebook too.

Riding season continues throughout the year. Keep watching for some great special members invitations to all of our non-scheduled rides and out of state trips.

Warm regards,

Debbie
