Folks on Spokes September 2023 Message:

Hello Folks,

What a busy summer it has been. I can't remember when FOS has had as many fun trips with more to come on this September's schedule. Randy has another Lake Erie Shoreline ride to Vermillion. This ride will have us kicking up sand by a lighthouse on the shoreline with a unique lunch stop at an old apothecary. The Magnolia trip will include a ride through Zoar where a Civil War encampment is being held. Always something interesting to see on a FOS ride, so I hope we will see you sometime in September!

Members, don't forget to make plans for a vacation to Hilton Head Oct. 7-14. This is a very casual week with morning rides led by Jim and Laura. We are also looking forward to having all of our world travelers back with us soon.

September does not have any scheduled trail rides but I'm sure Gary will have plenty to share. Members, keep an eye out for an email invite.

As always, be sure to follow our adventures on Facebook. Looking forward to seeing everyone on our rides,

Warm regards,
Debbie
